

Model Market Center

Available Models

Within Model Market Center, advisors can select from a broad menu of investment models from third-party investment managers. The platform seamlessly leverages iRebal[®] on Veo[®] so advisors can access models and rebalance in one, central location.

Available Models as of 8/31/2018

Material made available through the Model Market Center is provided by third-party Model Managers who are separate from and unaffiliated with TD Ameritrade. TD Ameritrade has not paid for or been involved in the preparation of the content, and has not verified, endorsed or approved the content. TD Ameritrade assumes no responsibility for any fact, recommendation, opinion or advice contained in any such model portfolio or materials and expressly disclaims any responsibility for any investment decisions or for the suitability of any security or transaction based on it. The listing of specific managers and/or models should not be considered an endorsement or recommendation by TD Ameritrade. Users of Model Market Center are responsible for all upfront and ongoing manager and model due diligence. TD Ameritrade receives remuneration from ETFs and mutual funds and/or their managers that participate in the Model Market Center for administrative and/or other services.

Model Market Center is an offering of TD Ameritrade, Inc. Registered Investment Advisor (RIA) that leverages iRebal[®] on Veo[®] technology to provide independent RIAs access to model portfolios provided by third-party asset managers. iRebal products and services are property of ThinkTech, Inc., an affiliate of TD Ameritrade, Inc. Brokerage services provided by TD Ameritrade Institutional, Division of TD Ameritrade, Inc. member FINRA/SIPC. TD Ameritrade is a trademark jointly owned by TD Ameritrade IP Company, Inc. and The Toronto-Dominion Bank. © 2018 TD Ameritrade.
